The Sustainability Representatives Program is seeking an Intern for the 2017-2018 school year. The Intern will learn about the program in fall, help coordinate the program in winter and spring, and represent our program at Summerstart during summer 2018.

This position historically transitions into the Sustainability Representatives Program Assistant position.

**JOB DUTIES**

**Fall Quarter**
Start date: November 27th, 2017
Training will take place the week after Thanksgiving break and will resume during winter quarter. Interns do not work during intersession periods (finals week and break).

**Winter Quarter**
Working January 9th - March 16th
5 hours/week
Schedule is flexible and planned around your classes.

**Spring Quarter**
Working April 3rd – June 15th
10 hours/week
Schedule is flexible and planned around your classes.

**Summer Quarter**
Working July 16th – August 31st
These dates are tentative and will rely on Summerstart dates.

Hours vary and depend on availability. Generally, interns work 10 hours/week during Summerstart in August.

The Sustainability Representatives Program Intern works with the Program Staff to increase support of sustainability among WWU’s 4,100 on-campus residents. The Sustainability Representatives Program works to increase conservation in residence halls and help residents take a lead role in the movement towards a campus that is healthy, socially just, environmentally responsible and economically viable. The Sustainability Representatives Program Intern works most closely with the motivated student volunteers working to further sustainability and resource awareness in their own residence hall (these volunteers are called Sustainability Reps). The Sustainability Representatives Program Intern reports to the Sustainability Representatives Program Assistant.
