The Green Funnel

Getting Western’s Future Environmental Leaders Involved

Today Instead of Tomorrow

Hayden Fairley & Katherine McDanold
Campus Sustainability Planning Studio
Fall 2011
Why the Green Funnel?

- What do we feel new students need to know about sustainability when they arrive at Western?
- Sustainability is “development that meets the needs of the present without compromising the ability of future generations to meet their own needs.”
Motives

Incoming Students per Quarter

- Fall: 2700 Freshman, 890 Transfer/Post Bac
- Winter: 50 Freshman, 290 Transfer/Post Bac
- Spring: 20 Freshman, 180 Transfer/Post Bac
Vision of the Green Funnel

Getting Western’s Future Environmental Leaders Involved Today Instead of Tomorrow

Green Map

Viking Supported Agriculture
Updated 40 minutes ago
A joint effort between Western's OS and local agricultural leader Growing Washington. The Viking Supported Agriculture (VSA) program makes local, fresh, organic produce available to WWU students, faculty and staff.
